

“Explore the Globe through English”

Uva Wellassa University takes the pride in commencing its certificate courses in English for the 5th batch of students. Having felt the necessity of English language skills in almost all walks of life, UWU offers this great opportunity especially to the community of Uva Province with the aim of enhancing knowledge and skills with the key of English. Further, the students who follow this course will be guided and facilitated by well qualified lecturers of UWU in a student centered activity based language learning environment with novel pedagogies in teaching and learning. Hence UWU is looking forward to welcome the students who are willing to add value to their lives by utilizing this wonderful opportunity.
