## General information

Journal of Technology and Value Addition (JTVA) ISSN 2673-1223, is a peer-reviewed multidisciplinary journal published bi-annually by the Uva Wellassa University. The Journal features Original Research Articles, Review Articles, Short Communications, and Case Studies in **Social Sciences and Humanities, Natural and Applied Sciences, Engineering and Technology, and other fields acceptable** to the Editorial Board. Submitted papers should describe original and previously unpublished work and those not currently under review by another journal. Demonstration of a significant contribution by “value addition” to a given field acceptable to the Editorial Board is crucial to accept a manuscript for publication in JTVA.

## Number of Issues

Two issues will be published per year. The first and second issues are published in January and July, respectively.
